TRACE

Inspired by our pioneer history, Trace Chophouse pays tribute to Wheeling's location on the National Road and the mile marker-lined path that charted the trailblazers (or, "tracers") journey west.

Walnut logs from the original Zane Log Cabin, considered to be the first building in Wheeling built in 1769 by Ebenezer Zane, adorn the hearth. These logs were gifted to Oglebay by Andrew Christian Hess, serving as a tangible tribute to Trace's dedication to celebrating our local history and Wheeling's founding family.
